

## Why invest in Holland?

You can't beat our location

Our infrastructure is first class

We are fluent in English

We have an awesome business climate

We roll out the orange carpet

## The NFIA ...

- **Connects** foreign investors with up-to-date information, relevant business partners, government authorities and a variety of Dutch networks and service suppliers
- **Advocates** on their behalf with national and EU governments
- **Organizes** fact-finding trips and site selection missions with network of regional economic development partners
- **Provides** concrete solutions and counsel to simplify and enhance their establishment in the Netherlands
